

Regional airlines

Presentation by Georges Chung Tick Kan

2 May 2013

“Quand on est mort, on ne sait pas qu’on est mort.

C’est pour les autres que c’est difficile.

Quand on est con, c’est pareil”

Anonyme

“L’’offre crée sa propre demande.”

Jean Baptiste Say
(1767-1832)

Potential market for regional airline such as South Africa

- 9 million tourist arrivals of which 132,000 are from China
  - Tourist from China represents the 4th biggest source of tourist arrivals;
  - 60% jump in 2012;
  - Tripled from 2009.
- 450,000 travellers from Australasia in 2012.
- 6 millions from SADC member states.

- Singapore Airlines has a daily flight to South Africa representing around
  - 2,000 passengers per week;
  - 100,000 passengers per year.
- Qantas / South African Airways has at least a daily flight representing around 100,000 passengers per year.
